Recycled For A Better Environment

## Village of Bolingbrook's "Neighbors Helping Neighbors Recognition Program"

In these days of difficult economic times and an ever-changing society, it is important to recognize those who work quietly and unselfishly to assist others. This behavior comes in many forms, clearing snow from a neighbor's house that has difficulty doing it themselves; providing a ride to a doctor's appointment when no other exists; dropping off a bag of groceries to those who can't afford them; to helping someone clear their property of debris after a storm. These countless acts of caring are unsolicited and those doing them are seeking no reward.

Bolingbrook has a long history of this type of behavior. In the spirit of encouraging this behavior for others and, more importantly, to allow those who have been helped to recognize those who have helped them, this program enables a simple recognition and show of gratitude for "neighborly behavior".

### Program Details:

- Residents can submit the form to Town Center. The nominee will be notified of their recognition and asked if they wish to be publicly recognized (some may not). The nominee will be invited to attend a recognition event at the beginning of a Village Board meeting.
- The nominee will receive a Certificate of Appreciation for being a good neighbor either in the mail or at a Village Board meeting.
- A listing of the nominees who authorize public recognition will be provided to local news organizations. Those who wish to remain anonymous will receive the certificate but will not have their names released.
