

PAINT THE TOWN PURPLE

Participants of the American Cancer Society (ACS)-Relay For Life Bolingbrook/Romeoville will Paint the villages of Bolingbrook and Romeoville purple on April 17th and 18th. "It's our way of letting our communities know about our annual **Relay For Life** to be held on **May 22-23, 2010 at Bolingbrook Town Center**," Throughout the weekend teams, committee members, adults and children alike will be tying purple ribbons on village trees, posting signs and taking donations at the intersections of Rt53 & Boughton Rd. as well as Weber & Boughton Rd. Stop by and make a donation!

"This is the 7th annual ACS Relay For Life supported by our communities and this year we have an exceptional level of participation! With approx 44 days to our Relay we have over 60 teams registered and over 350 participants. No wonder the Bolingbrook and Romeoville communities were awarded the "Lifetime Achievement Award" for raising over \$500,000. The best part, is that \$.92 of every dollar raised goes to help support cancer patients, caregivers, survivors, and research

Teams, event volunteers and families can still join our event. You can get more info from our ACS staff partner Mary Kate Zelinski 708.633.7770 ext. 234 or marykate.zielinski@cancer.org
