PROCLAMATIONS
NATIONAL ASSOCIATION OF LETTER CARRIERS FOOD DRIVE, Saturday, May 11, 2019: Mayor Claar proclaimed May 11, 2019, as “NATIONAL ASSOCIATION OF LETTER CARRIERS FOOD DRIVE,” in the Village of Bolingbrook, and urged all our residents to support this worthy event. DuPage Township Supervisor Felix George accepted the proclamation. He thanked the letter carriers for their support over the past 25 years.

Mayor Claar mentioned the recent passing in March of Nancy Beran. She was a long time coordinator of the event. “A helping hand and a willing heart” best describes Nancy. She was a letter carrier working for the Bolingbrook Post Office starting in 1973. She moved to Bolingbrook in 1987 with her husband Dennis who passed away less than a year ago. Nancy loved Bolingbrook. She always went above and beyond as the coordinator for the Bolingbrook Letter Carrier’s Food Drive which is held each year on the second Saturday in May. The food that is collected by the letter carriers each year helps to stock the DuPage Township pantry for several months and is one of the biggest food drives of the year. Before her passing, Nancy was a ready working on this year’s food drive. Nancy gave the most valuable gift of all. She gave her time, energy, talent and most of all she gave of herself. Nancy will be missed.

Motion Lawler, second Zarate to open a Public Hearing re Bolingbrook Fiscal Year 2019-2020 proposed budget for all funds.

The Village is required to conduct a Public Hearing prior to the adoption of the 2019-2020 Fiscal Budget. A budget workshop was held on April 27, 2019 to go over the budget in detail.

The proposed General Corporate Budget is $80,475,261.00 and is balanced with expenses. The budget is a 7/10 of 1% increase over the 2018-2019 budget.

The Village overall budget, including all funds and interfund transfers, is $152,386,017.00.

The Village property tax rate is expected to be .9382% and the average home will pay $637.85 to the Village.

The Bolingbrook home values have rebounded from the recession and the average value is back over $200,000.00 ($206,673.00 estimate).

As of April 30, 2019, the Village will have 4 collective bargaining agreements expired (MAP 3, MAP 4, IAFF 3005 and AFSCME Council 31). A 1-year labor contract extension for the firefighters is on tonight’s agenda. The Village has 342 full and part-time employees.
Several road projects will be under construction this season including a roundabout at Kings Road and Essington Road, widening of Rodeo Drive from Dalton Lane to Kings Road including a traffic signal at Dalton Lane, Kings Road extension from Rodeo Road north to Hassert Boulevard and 41 lane miles of street resurfacing throughout the Village.

Two projects should be mentioned. Direct resident utility billing will start in May and preparations for 2020 census will begin later in the year.

Motion Lawler, second Zarate to pass an ordinance approving tentative agreements for the May 1, 2019 – April 30, 2020 contract between the International Association of Firefighters Local 3005 and the Village of Bolingbrook.

This Ordinance is a “global settlement” with the International Association of Firefighters Local 3005. It resolves all pending labor and contract issues with the firefighters. The following issues are being resolved: The Retirees Insurance issue currently pending in interest arbitration; The pending Public Safety Employee Benefit Act (PSEBA) grievance arbitration; The pending Battalion Chief upgrading grievance arbitration.

The pending Unfair Labor Practices before the Illinois Labor Board, a 1-year extension of the Collective Bargaining Agreement (CBA) that expires April 30, 2019. The Union will be withdrawing from the existing employee Retiree Insurance program and creating their own retiree insurance benefit. The PSEBA settlement outlines the procedure for qualifying for benefits under the Act. The Battalion Chief agreement eliminates lieutenant upgrades and the overtime associated with an upgrade. Battalion Chiefs (non-union) will cover all shifts. The existing CBA will be extended for 1 year. Wages will increase by 2.5% and health insurance contributions will increase by 12.5%. The increases are effective May 1, 2019.

All of these settlements are tied together with the creation of a senior and master firefighter classification, similar to what the police contract contains. Based on longevity and education a firefighter may qualify for an additional 2% (senior) or 3% (master) pay increase. The 1% of wages that the Village is currently paying into the Retiree Insurance Fund will be eliminated and 1% will be added to wages and will be deposited into the firefighters' new retiree health insurance program. The Ordinance also authorizes the creation of Voluntary Employee Beneficiary Association (VEBA) plan for fire union members. The Village is required to be the trust plan sponsor, but all management and funding responsibilities are assigned to the firefighters. The issues in this settlement has been negotiated over the last year and resolve all current labor disputes with the firefighters.
