*All inspections require a minimum 24 hour notice. Call 630/228-8470.

*Inspection required prior to placement of concrete.

*Applicants required to notify J.U.L.I.E., 1-800/892-0823 prior to digging.

1. All work shall comply with the Codes and Ordinances of the Village of Bolingbrook, even if an error or omission was not identified on the plans approved by the Building Commissioner.

2. All information contained in this application and on the building plans is, to the best of my knowledge, true and accurate.
