No Rental Occupancy Permit shall be issued until all violations of this Article and all other applicable codes and ordinances of the Village have been brought into compliance. The possession of a Code Compliance Report in and of itself does not authorize occupancy of said property. The Rental Occupancy Permit issued to the tenant shall state that the premises and occupancy thereof comply with all the provisions of this Article at all times.

This section shall not apply to any hospital, nursing home, retirement home, or assisted living type facilities that has medical staff on duty and which is subject to regular inspections by the Health Department.

SECTION 27-202. APPLICABILITY. This Article shall be applicable to all residential properties in the Village that are rented or leased, which shall be defined as any residential dwelling unit, roaming unit or such other residential building or structure wherein the owner or owner's agent allows an individual or individuals to occupy space while charging a monthly, quarterly or annual fee for the privilege of occupying said space. All areas of the residential dwelling unit to which the lessee or renter has the right of use or access shall be subject to inspection for compliance with the applicable codes and ordinances of the Village. This Section shall not apply to any occupancy in existence at the time of the adoption of this Article by Ordinance No. 83-9 of the Village until the change of occupancy occurs. Further, this Section shall not apply to any Land Contract, Contract for Sale or any other property transaction wherein the new occupant (A) has legally committed to acquire legal fee ownership and title to the property and within sixty (60) days of the date of the Contract and (B) has occupied the premises within sixty (60) days of the date of the Contract. A Rental Occupancy Permit completed in the presence of the landlord or the landlord's agent must contain the signature of the landlord or agent following a certification that the application form was completed in his presence and contains true and accurate information regarding the tenants who will be occupying the residential rental unit. All
Rental Occupancy Permits must be submitted to the Code Enforcement Department no later than seven (7) days after completion. The Rental Occupancy Permit shall state the names, birth dates, relationships and the number of people who will occupy the residential rental unit. The term “leased” shall include the occupancy of property pursuant to articles of agreement for purchase or a contract for deed until the deed is delivered by the owner.

(B) License Required. It shall be unlawful for any person to rent, lease or otherwise allow a dwelling or dwelling unit under their ownership to be occupied by others as a rental dwelling unless a Landlord License is in effect, as provided by this Section. Each Landlord License shall be valid for only one building, and a separate Landlord License shall be required for each additional building containing a rental dwelling. In the event the dwelling unit is part of an association, the owner, agent or manager shall provide a letter of verification signed by a designated officer of the association stating the unit is within the set rental cap and that all Homeowner Association dues are current and up to date. This letter shall be provided yearly upon renewal of the Landlord License.

(D) Reports. The licensee shall report to the Code Enforcement Department any changes in the information provided on the application, within seven (7) days of said change. Any conveyance in the legal or equitable interest in the building shall be reported to the Code Enforcement Department within seven (7) days after the execution of the contract to convey and at least fifteen (15) days prior to said conveyance to allow ample time to verify the status of compliance for the building and property.

(E) Issuance of License. No Landlord License for a building containing a rental dwelling or dwellings shall be issued until all applicable license fees have been paid to the Village of Bolingbrook. Renewal shall be required annually. See Section 27-103 for fees.

The owner, agent or manager of the dwelling shall submit documentation to the Code Enforcement Department certifying the fossil fueled equipment is in compliance, and a Rental Occupancy Permit shall not be issued until such documentation is submitted. If any areas have been found to be deficient, a qualified service person registered with the Village shall repair the deficiency immediately or take such other action as is necessary to make the condition safe. When this is not possible, the device’s operation shall be terminated immediately. Where any action is taken under this Section, the Community Development Department shall be notified within one (1) hour of such occurrence. (Ordinance 04-006, 01.13.04)

SECTION 27-209. RESPONSIBILITY OF TENANTS. Each tenant or lessee shall provide the Code Enforcement Department with the information required on the Rental Occupancy Permit. The tenant shall complete a new Rental Occupancy Permit if there is any change as to the names or number of tenants living in the residential unit, with the exception of minor children born to the family. Any falsification of the information on the Rental Occupancy Permit shall constitute a violation of this Article. Any person responsible for the falsification of information or failure to update information shall be subject to the penalties of this Article. Further, no tenant shall damage or cause to be damaged any unit or building leased, nor shall any damage be caused to the general premises of
any building used by the tenants. Each tenant and the family of each tenant shall maintain his/their rental unit free of any litter, and tenants shall not litter any of the premises or the buildings provided for use by tenants. (Ordinance 04-006, 01.13.04)

From and after July 1, 2007 all leases shall contain the following addendum in addition to all other terms of the lease:

Landlord and Tenant agree as follows:

(A) Upon the determination by the Supervisor of the Code Enforcement Department or the Supervisor of the Community Policing Unit that there is reasonable cause to believe that a Rental Occupancy Permit, Landlord License and/or Code Compliance Report should be revoked, suspended or not renewed because of a violation of this Article, notice of a hearing, together with a written statement of charges, shall be sent to the owner, manager or agent and the tenant(s). The Hearing Officer designated under Article 3 of Chapter 7 of the Municipal Code shall act as the Hearing Officer. (C) In the event the person upon whom notice has been served pursuant to this Article has failed within the prescribed time to demonstrate that the nuisance has been abated, in addition to the payment of any fines or costs ordered by the Hearing Officer as a penalty, the Village Code Official may request that the Village Attorney seek a restraining order and a preliminary injunction, as well as a permanent injunction, before a court with proper jurisdiction over such an action in order to remedy and abate the violation and to enjoin further violations of this Article.

(D) The Hearing Officer's decision may further authorize the Village to recover any expenses incurred by the Village in abating a public nuisance under the provisions of this Article or as authorized by any other applicable law or ordinance.

(E) Any person whose Rental Occupancy Permit, Landlord License and/or Code Compliance Report has been suspended or revoked or not renewed by the Hearing Officer after a hearing under this Section may appeal the Hearing Officer's decision to the Board of Trustees or any standing or special committee designated by the Board of Trustees by filing a written notice of appeal with the Village Board within three (3) business days of the person's receipt of the Hearing Officer's decision. ARTICLE 5 - REGISTRATION OF FORECLOSING MORTGAGES AND VACANT PROPERTY
(Added by Ordinance 19-067, 08.27.19)

SECTION 27-501 PURPOSE AND INTENT. It is the purpose and intent of the Board of Trustees to establish a process to address the deterioration, crime, and decline in value of Village neighborhoods caused by property with foreclosing or foreclosed mortgages located within the Village, and to identify, regulate, limit and reduce the number of these properties located within the Village. It has been determined that Owner-occupied structures are generally better maintained when compared to vacant structures, even with a diligent off-site property Owner.
Vacant structures or structures owned by individuals who are economically strained and unable to meet their mortgage obligations are often not properly or diligently maintained, which contribute to blight, declined property values, and have a negative impact on social perception of the residential areas where they are located. It is the Board of Trustees’ further intent to establish a registration program as a mechanism to help protect neighborhoods from becoming blighted through the lack of adequate maintenance of properties that are in Foreclosure or Foreclosed, and to provide a mechanism to avert foreclosure actions through timely intervention, education, or counseling of property Owners.

SECTION 27-502 DEFINITIONS. The following words, terms, and phrases, when used in this Article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning.

“Default” shall mean that the mortgagor has not complied with the terms of the mortgage on the property, or the promissory note, or other evidence of the debt, referred to in the mortgage.

“Evidence of Vacancy” shall mean any condition that on its own, or combined with other conditions present, would lead a reasonable person to believe that the property is vacant. Such conditions may include, but are not limited to: overgrown and/or dead vegetation; past due Utility notices and/or disconnected Utilities; accumulation of trash junk or debris; abandoned vehicles, auto parts and/or materials; the absence of furnishings and/or personal items consistent with habitation or occupancy; the presence of an unsanitary, stagnant swimming pool; the accumulation of newspapers, circulars, flyers and/or mail; statements by neighbors, passers-by, delivery agents or government agents; and/or the presence of boards over doors, windows or other openings in violation of applicable code.

“Foreclosure or Foreclosure Action” shall mean the legal process by which a Mortgagee, or other lien holder, terminates or attempts to terminate a property Owner’s equitable right of redemption to obtain legal and equitable title to the Real Property pledged as security for a debt or the Real Property subject to the lien. The legal process is not concluded until the property obtained by the Mortgagee, lien holder, or their designee, by certificate of title, or any other means, is sold to a non-related bona fide purchaser in an arm’s length transaction to satisfy the debt or lien.

“Mortgagee” shall mean the creditor, including but not limited to, trustees; mortgage servicing companies; lenders in a mortgage agreement; any agent, servant, or employee of the creditor; any successor in interest; or any assignee of the creditor’s rights, interests or obligations under the mortgage agreement; or any other person or entity with the legal right to foreclose on the Real Property, excluding governmental entities.

The Property Manager shall not be considered the Owner.

The designation of a “default/foreclosure” property as “registrable” shall remain in place until such time as the property is sold to a non-related bona fide purchaser in an arm’s length transaction or the Foreclosure Action has been dismissed; or

(b) Any property that is vacant for more than thirty (30) days or any cancellation of Utility or Service, whichever occurs first.

Registry shall mean a web-based electronic database of searchable Real Property records, used by the Village to allow Mortgagees and Owners the opportunity to register properties and pay applicable fees as required in this Article.

Semi-Annual Registration shall mean six (6) months from the date of the first action that requires registration, as determined by the Village, or its designee, and every subsequent six (6) months.
