AND
THE METROPOLITAN ALLIANCE OF POLICE
BOLINGBROOK COMMAND CHAPTER #4

ARTICLE I

PREAMBLE

This Agreement entered into by the Village of Bolingbrook, Will and DuPage Counties, Illinois, hereinafter referred to as the Employer, and the Metropolitan Alliance of Police Bolingbrook Command Chapter #4, hereinafter referred to as the Chapter, is intended to promote harmonious and mutually beneficial relations between the Employer and the Chapter, and is set forth herein the basic and full agreement between the parties concerning rates of pay, wages and certain other conditions of employment for full-time police sergeants and lieutenants of the Village of Bolingbrook, as defined herein below and hereinafter referred to as "Officers" or "employees", or when the context requires a singular noun, as "Officer" or "employee".

ARTICLE II

RECOGNITION

Section 2.1. Recognition.

Pursuant to an election and certification by the Illinois Labor Relations Board under Case No. S-RC-01-063, dated August 18, 2003, and the certification issued thereon to the Chapter by the State of Illinois Labor Relations Board, the Employer recognizes the Chapter as the exclusive bargaining agent for the purpose of establishing wages, hours, and other conditions of employment for all sworn full-time sergeants and lieutenants within the police department of the Village of Bolingbrook, below the rank of sergeant, as certified, as described herein above. None of the provisions of this Agreement shall be construed to require either the Employer or the Chapter to violate any Federal or State Laws. For convenience, the “sergeants and lieutenants” in the bargaining unit shall be referred to generally as “officers”.

Section 2.2. Fair Representation.

The Chapter recognizes its responsibility as bargaining agent and agrees fairly to represent all Officers in the bargaining unit, i.e. Chapter #4.

Section 2.3. Gender.

Wherever the male gender is used in this Agreement, it shall be construed to include both males and females equally.

Section 2.4. Labor Management Meetings.

The Chapter and the Employer agree that, in the interest of efficient management and harmonious employee relations, meetings will be held if mutually agreed between no more than two (2) Chapter representatives and responsible administrative representatives of the Employer.
Such meetings may be requested by either party at least seven (7) days in advance by placing in writing a request to the other for a "labor-management conference" and expressly providing the specific agenda for such conference. Such conferences, times and locations, if mutually agreed upon, shall be limited to:

a. discussion on the implementation and general administration of this agreement;

b. a sharing of general information of interest to the parties; and

c. safety issues.

It is expressly understood and agreed that such conferences shall be exclusive of the grievance procedure. Specific grievances being processed under the grievance procedure shall not be considered at "labor-management conferences," nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such conferences.

Attendance at labor-management conferences shall be voluntary on the each of the parties’ part. Attendance at such conferences shall not interfere with required duty time and attendance, if during duty time, is permitted only upon prior approval of the Chief of Police or his designee. The Chief of Police or his designee in his sole discretion shall determine its representatives at such meetings.

ARTICLE III
MANAGEMENT RIGHTS

Section 3.1. Management Rights.

It is understood and agreed that the Village possesses the sole right and authority to operate and direct the Officers of the Village and its various departments in all aspects, including, but not limited to, all rights and authority exercised by the Village prior to the execution if the Agreement, except as modified in this Agreement. These rights include, but are not limited to:

g. To make, publish and enforce rules and regulations;

h. To introduce new or improved methods, equipment, or facilities;

i. To purchase goods and services;

j. To take any and all actions as may be necessary to carry out the mission of the Village in situations of civil emergency as outlined in Section 3.2.

k. To determine the qualifications of applicants for positions of employment.

Section 3.2. Civil Emergency Provision.
If in the sole discretion of the President of the Board of Trustees or the Village Attorney or his designee, it is determined that extreme civil emergency conditions exist, including but not limited to, riots, civil disorders, tornado conditions, floods, snow storms or other similar catastrophes, the provisions of this Agreement may be suspended by the President of the Board of Trustees or the Village Attorney or his designee during the time of declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended. Should an emergency arise, the President of the Board of Trustees or the Village Attorney or his designee shall advise the President of M.A.P. or the next highest officer of M.A.P. of the nature of the emergency. The President of the Board of Trustees or the Village Attorney or his designee shall follow up said advice in writing as soon thereafter as practical and shall forward said written notice to the President of M.A.P.

Section 3.3. Work Capacity Examination.
The Parties agree that a work capacity examination shall not be requested of any employee covered by this Agreement unless the employer has reasons, which are not arbitrary or capricious, for such examination and the employee is notified, in writing, at least forty-eight (48) hours prior to the taking of such exam. The written notice shall contain specific concerns pertaining to "inability to perform" or "inability to perform in a diminished capacity" to the extent that it effects job function.

ARTICLE IV
RIGHTS OF M.A.P.

Section 4.1. M.A.P. President.
The M.A.P. Chapter #4 President, and/or his one designee, shall be allowed a reasonable period of time to devote to official business of the Union, such time off from normal police duties to be obtained with the prior approval of the Chief of Police, which approval shall not be unreasonably withheld, and such time shall be compensated by the Village of Bolingbrook.
Section 4.2. Rights of M.A.P.
Officers shall have no vested right on the continuance of any work practice, however, Employee rights shall be considered by management in the development of all written work rules and operating procedures.

Section 4.3. Fair Share.
During the term of this Agreement, Officers who are not members of the Chapter shall, commencing thirty (30) days after the effective date of this Agreement, pay a fair share fee to the Chapter for collective bargaining and contract administration services tendered by the Chapter as the exclusive representative of the officers covered by this Agreement. Such fair share fee shall be deducted by the Village from the earnings of non-members and remitted to the Chapter each month. The Chapter shall annually submit to the Village a list of the officers covered by this Agreement who are not members of the Chapter and an affidavit which specifies the amount of the fair share fee, which shall be determined in accordance with the applicable law.

Section 4.4. Dues Deductions.
Upon receipt of proper written authorization from an Officer, the Employer shall deduct each month's Chapter dues in the amount certified by the Treasurer of the Chapter from the pay of all officers covered by this Agreement who, in writing, authorize such deductions. Such money shall be submitted to the Metropolitan Alliance of Police within fifteen (15) days after the deductions have been made.

ARTICLE V
LAYOFF AND RECALL

Section 5.1. Layoff and Recall.
With regard to seniority and reductions-in-force, the following provisions shall be applicable to all Officers covered by this Agreement:

A. All layoffs will be determined on a seniority basis. Those Officers with the lowest amount of seniority may be temporarily laid-off in the event that the Employer deems it necessary. When the force of the Police Department is reduced, the officer or member reduced in rank or removed from service of the Police Department shall have rights of reinstatement as provided for in the Illinois Compiled Statutes. Upon determination that a vacancy exists and there are Officers who have been furloughed due to a reduction-in-force, the Officers on furlough shall be recalled to fill such position and seniority will prevail in determining which furloughed Employee shall have the right to be re-employed if the Officer is otherwise qualified.

Section 5.2. Definition of Seniority.
Seniority shall be determined by the Officers length of service in his current rank in the Department. If any Officers have the same date of promotion, the seniority ranking shall be determined by the positions these Officers had on the Police and Fire Boards eligibility lists from which they were promoted. Time spent in the armed forces, on military leaves of absence, and
authorized leaves not to exceed one year, and time lost due to duty related disability shall be included.

Section 5.3. Seniority Lists.
A current up to date seniority list showing the names and length of service of each Officer shall be provided and posted by the Employer on January 1st and July 1st of each year on a designated Bulletin Board provided by the Village.

Section 5.4. Filling of Vacancies.
It is recognized that as a principle, seniority is a factor within overall qualification in considering applicants for job vacancies and the Chief having the ultimate discretion, shall consider same.

Section 5.5. Termination of Seniority.
An Officer shall not accumulate seniority rights upon separation from the services due to dismissal, suspension time in excess of 15 continuous days, layoff or retirement. Full seniority rights shall be reinstated under the following conditions:

1. A Officer resigns in good standing, requests and upon the recommendation of the Police Chief, is reinstated by the Police/Fire Commission within a period of one (1) year from the date of resignation.

2. A Officer retires due to disability and is later certified by the Police Pension Board to be capable of resuming his duties and is returned to work by the Police Chief.

3. A Officer is dismissed and later reinstated by court of competent jurisdiction.

4. A Officer is separated due to layoff or reduction-in-force and is later reinstated under the conditions provided for in the Illinois State Statutes.

5. Any Officer shall not accrue seniority rights during the period of dismissal, resignation, layoff or retirement unless so specified by a court of competent jurisdiction.

Section 5.6. Job Security.
The authorized level of force in the Village is subject to modification by the Employer, based on budget constraints and work requirements. The Employer will use its best effort, subject to the conditions hereinabove noted, to assure that there will be no layoffs or involuntary furloughs.

Sergeants and Lieutenants may have Administrative Leave time off contingent on manpower requirements of the affected division, with the approval of the division Commander or the Chief of Police or his designee. Such Administrative Leave requests will not be unreasonably denied.

shall be arranged as to provide as minimal a disruption to the work of the Police Department as
can be reasonably achieved. For purposes of scheduling by seniority in rank, all requests must
be submitted between December 1st and December 31st, and are limited to a minimum of four
(4) hours and a maximum of 120 hour increments.

There is no carry over provision for vacation time, unless an exception is granted by the
Chief of Police or his designee. Such requests must be in writing and explain the extenuating
circumstances which led to the Officer not being able to use his vacation. (Example: When an
Officer on Workmen’s Compensation cannot take his vacation.)

Section 7.4. Separation from Service.
Any Officer who is laid off, resigns, retires, pensions due to illness or injury or is
terminated from the service of the Village, shall receive vacation pay for all accrued vacation

effect for the employee’s regular job, on the last work day of the employee’s employment.
ARTICLE VIII
INSURANCE AND OTHER BENEFITS

Section 8.1. Group Hospital and Medical Plan.

The Village's complete hospitalization program effective January 01, 2014, covering all full-time Village employees, including police officers and their dependents, shall continue in effect, although coverage shall be added for prescription contraceptives and there shall be a $1000 annual cap on chiropractic benefits per person per calendar year. In addition, the Village plan shall provide a prescription card benefit for covered employees requiring no more than $10.00 per prescription for generic drugs and $20.00 per prescription for non-generic drugs. If the Village wishes to change its hospitalization program or prescription card benefit for all full-time employees of the Village during the term of this Negotiated Agreement, the Village and MAP shall bargain in good faith regarding such change or changes, and such good faith bargaining shall be in accordance with the provisions of the Illinois Public Labor Relations Act.

Beginning May 1, 2012, those Police Officers who maintain coverage under the Village's hospitalization program shall pay toward the premiums for said coverage as set forth in Appendix C, attached.

Effective upon the ratification by MAP and the approval by the Village of this Agreement, there will be a Section 125 Plan which will apply to the employees' payment toward health insurance premiums and which should reduce the out-of-pocket impact on the employees regarding their payment toward health insurance premiums. The Village shall expand the Section 125 premium-only plan to include other unreimbursed eligible medical expenses, no later than January 1, 2007.

The parties agree that in the second half of 2010 (date to be agreed upon) they shall meet with the intent to investigate the Village's Health Insurance Program with the goal of reducing costs. The parties agree to review the current Master Plan Document, other BC/BS Programs, and explore Healthcare Savings Accounts.

Section 8.2. Health Insurance Coverage Continuation.

The Employer agrees to abide by the terms and conditions set forth in P.A. 84-1010 (House Bill 357) and the Village Personnel Policy Manual in regards to continuation of health insurance coverage for Officers covered by this Agreement.

Section 8.3. Employee Health Insurance/Benefits.

The Master Plan Document for the Employee Benefit Plan of Village of Bolingbrook, initialed by the Union and the Village, shall remain in force.

The Sergeants and Lieutenants shall be subject to the same terms and conditions of the Master Plan Document until a new plan document is negotiated by the patrol officers or awarded by an arbitrator in the patrol officers' 2012 Negotiated Agreement with the Village of Bolingbrook. Said terms and conditions shall become effective the same day the patrol officers' Negotiated Agreement becomes effective.
Section 8.4. Life Insurance.

All full time Village Officers will be eligible for life insurance coverage provided by the Village. Life insurance benefits shall be two (2) times the base annual salary of the Officer. Maximum value of the policy shall be $200,000.00. In addition, accidental death and dismemberment insurance shall also be two (2) times the base annual salary and the maximum value of the policy shall be $200,000.00. The total cost of the life insurance benefit is paid by the Village. The Village shall provide the opportunity for an Officer to purchase at his own expense, a group rate, $2,500 term life insurance rider covering each dependent. Employees retiring with at least twenty (20) years of creditable service shall be entitled to purchase this benefit at the current rate and to maintain this life insurance benefit at the same level as offered to regular non-retired employees covered by this agreement so long as this provision does not conflict with any policy terms and the policy so provides.

Section 8.5. Dental Insurance.

The Employer agrees to provide dental insurance as in the past, with the Village selected carrier. The Officer will be responsible, as in the past, to pay monthly premiums.

Section 8.6. Employee Disability.

The Employer agrees that they shall maintain current disability policy as outlined in the Village Rules and Regulations manual.

Section 8.7. Disability Health Coverage.

In the event that any Officer covered by this Agreement shall be on an on-duty disability pension approved by the Bolingbrook Police Pension Board, including heart and lung, an employee and his dependent shall continue to participate in the same hospital and medical insurance coverage that is in effect, at no cost to the employee, for two (2) years. After two (2) years Section 8.6 shall apply.

Section 8.8. Retiree Health Insurance.

When an employee retires from employment with the Employer (a “Retired Employee”), the Retired Employee may be eligible for a Health Insurance Premium Benefit (the “Benefit”). The Benefit shall consist of payment of the monthly health insurance premium for the Retired Employee and the Retired Employee’s spouse, if any, for insurance under the Employer’s group health plan for its employees. NOTE: Covered officers may obtain family medical insurance coverage in conjunction with the Benefit, provided the affected officer pays the difference between the premiums for family coverage and the premiums for “employee plus spouse” coverage. Benefit payments shall be solely payable from the Bolingbrook Retired Employees Health Insurance Premium Fund (“the Fund”), as hereinafter described. Eligibility for the Benefit shall be limited to Retired Employees who meet the criteria set forth below. Except as provided below, eligibility for the Benefit shall terminate when the Employee becomes eligible for Medicare or reaches the age 65, whichever is earlier. The Benefit program shall continue through the term of this Agreement.

1. A Retired Employee who has retired from active service after May 1, 1999 with an attained age and accumulated creditable service which together qualify the Retired Employee for the
immediate receipt of retirement pension benefits under the laws of the State of Illinois, shall
be entitled to receive the Benefit during the term of this Agreement, provided that: (1), the
Retired Employee shall pay a one-time contribution to the Fund in an amount equal to 1/12
of 1% of the Retired Employee's most recent gross annual compensation for each month that
the Retired Employee's date of retirement precedes May 1, 2000 and, (2), the one-time
contribution to the Fund shall be made within thirty (30) days of the Retired Employee's date
of retirement from service.

2. A Retired Employee who has retired from active service after May 1, 1999 with accumulated
creditable service which would qualify the Retired Employee for the receipt of retirement
benefits under the laws of the State of Illinois, but who has not attained the age of retirement
pursuant to said laws, shall be eligible to receive the Benefit during the term of this
Agreement only if said Retired Employee (1), pays a one-time contribution to the Fund in an
amount equal to 1/6 of 1% of the Retired Employee's most recent gross annual compensation
for each month that the Retired Employee's date of retirement precedes the Retired
Employee's attainment of the age of retirement necessary to immediately receive retirement
benefits under the laws of the State of Illinois, and (2), the one-time contribution to the Fund
shall be made within thirty (30) days of the Retired Employee's date of retirement from
service.

3. The Fund shall be funded as follows:

a. Each covered employee shall have 1/12 of 1% of the employee's
gross annual compensation automatically deducted monthly from the
employee's paycheck and deposited into the Fund as the employee's
contribution. The employee shall execute any necessary wage deduction
documentation and shall submit said documentation to the Employer. The
Employer, in its discretion, may deduct a proportionate amount of the 1/12
of 1% contribution from each employee's paycheck rather than the entire
contribution from a single monthly paycheck; and

b. Any one-time contributions, as provided above; and

c. The Employer shall, at its expense, deposit an amount equal to 1/12 of 1%
of all employee gross annual compensation on a monthly basis into the
Fund.

4. All contributions to the Fund, whether made by the Employer, an employee or a Retiring
Employee, shall be non-refundable.

5. In the event there is good reason to believe based upon competent
actuarial analysis that the funds available in the Fund are or will be insufficient to pay the
benefits described for all Retired Employees, either the Employer or the Union, upon request
of either party shall meet to negotiate a resolution of the deficiency. The negotiations may
involve any of the following:
a. Making additional Employer and/or employee contributions; or
b. Reducing the percentage of premiums paid; or
c. Modifying the benefits package to reduce the premium cost; or
d. A combination of these or other changes that ensure the continuance of this medical insurance benefit that may be mutually agreeable to the parties.

It is the parties’ understanding that a benefit as provided in this Article or as may be modified by the agreement of the parties shall continue in any successor contract. However, because there may be changes in Federal or State law, or the cost of premiums, or the sufficiency of funds that cannot now be precisely accounted for, the parties have provided for addressing such changes in future contract through good faith negotiations within the parameters described above.

The parties further agree that the Employer may not terminate the existing benefit from future contracts. Any dispute as to the continuance of such benefit as part of a successor agreement may be submitted to interest arbitration at the election of either party in accordance with the authority granted by Section 14 of the Illinois Public Labor Relations Act. The arbitrator shall have the authority to mandate the continuance of the program in the successor contract, but shall not have the authority to expand or reduce the benefit, or expand the amount of Employer or Employee contributions provided under this Agreement. Upon a showing that there are insufficient funds to maintain the Benefit provided by this Agreement, the arbitrator shall have the authority to reduce the percentage of the premiums paid or modify the benefits package to reduce the premium cost.

6. The term “gross compensation” as used herein, shall mean the annual gross salary received by the employee, as defined in the Police Pension Fund, 40 ILCS 5/3-125.1 (i.e., base salary from Appendix A, plus longevity pay, plus education pay, plus specialty pay).

7. The Fund shall be administered by the Village of Bolingbrook Finance Director who shall serve as a Trustee and who shall hold, invest and distribute all monies in the fund account for the benefit of the active and retired members of the Union. The parties agree that representatives of the Employer and the Union shall be placed on an Oversight Review Committee to review and monitor receipts and disbursements within the Fund account and to ensure a proper accounting of the Fund account.

ARTICLE IX

Section 9.1. Wage Schedule.
Officers shall be compensated in accordance with the wage schedule attached hereto as Appendix A.

Employees receiving paychecks directly shall have their paychecks placed in their Department mailboxes on each payday.
Section 9.2. Longevity Pay.

Full time Officers shall be paid longevity pay in addition to their base salaries. They will be paid the entire amount, subject to State and Federal Laws regarding withholding, on the payday following each anniversary date since obtaining full-time status according to the following schedule:

- On anniversary of 8, 9, 10 & 11 years of service: $500
- On anniversary of 12, 13, 14 & 15 years of service: $750
- On anniversary of 16, 17, 18 & 19 years of service: $1000
- On anniversary of 20 years of service through retirement: $1400

Section 9.3 Special Duty Pay

Sergeants and Lieutenants who sign up for Special Duty assignments (billed to an outside agency) will be paid at the overtime rate for a topped out patrolman according to the most current MAP Chapter #3 contract without adding any incentives.

Section 9.4. Special Events

The Chief of Police or his designated representative shall attempt to schedule all Officers to work no longer than twelve (12) hours for any special event. Unless circumstances dictate otherwise, additional hours over and beyond the twelve (12) shall be on a voluntary basis.

GRIEVANCE PROCEDURE

**Section 12.1. Definition of Grievance.**

A grievance is a claim of an Officer, or a group of Officers with respect to a single common issue, that there has been a violation, misinterpretation or misapplication of the express provisions of this Agreement.

It is understood that the grievance procedure herein does not affect or inhibit the rights of the Board of Fire and Police Commissioners or limit in any way its jurisdiction to discharge its duties and responsibilities pursuant to Chapter 765, Division 2.1 of Illinois Compiled Statutes or the Rules and Regulations adopted by the Employer or the Board of Fire and Police Commissioners pursuant thereto.

**Section 12.2. Procedure.**

A grievance shall be processed in the following manner:

Step 1: Any Officer, with or without his shift union steward, covered by this Agreement who has a grievance shall submit it to the unit Supervisor, provided that said grievance shall be in writing and signed by the aggrieved Officer. The grievance shall be submitted within 15 calendar days after the Officer becomes aware or should have become aware of the event in
question. The unit Supervisor shall give his written answer within three (3) calendar days after such presentation.

**Step 2:** If the grievance is not settled in Step 1 and the Officer wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be referred in writing to the Commander within five (5) calendar days after the designated Supervisor's answer in Step 1. The Commander shall discuss the grievance within five (5) calendar days with the Officer and if the Officer so designates, the shift union steward at a time mutually agreeable to the parties. If no settlement is reached, the Commander shall give his answer to the Officer within five (5) calendar days following their meeting.

**Step 3:** If the grievance is not settled in Step 2 and the Officer wishes to appeal the grievance to Step 3 of the grievance procedure, it shall be referred in writing to the Police Chief within five (5) calendar days after the Commander's answer in Step 2. The Police Chief shall discuss the grievance within five (5) calendar days with the Officer and if the Officer so designates, the shift union steward at a time mutually agreeable to the parties. If no settlement is reached, the Police Chief shall give his answer to the Officer within five (5) calendar days following their meeting.

**Step 4:** If the grievance is not settled in Step 3 and the Officer desires to appeal, it shall be referred by the Officer in writing to the Village Attorney, or his designated representative, within five (5) calendar days after the Department's answer in Step 3. A meeting between the Village Attorney or his representative, and the Police Chief, and the Officer, and if the Officer so designates, the shift union steward shall be held at a time mutually agreeable to the parties, within five (5) calendar days of receipt of the Employee's appeal. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the Village Attorney, or his representative, and the Officer, and if appropriate, the Union. If no settlement is reached, the Village Attorney, or his representative, shall give the Village's written answer to the Officer within five (5) calendar days following the meeting.

**Section 12.3. Arbitration.**

If the grievance is not resolved at Step 4 to the satisfaction of the Officer, it may refer to the grievance to binding arbitration by notifying the Police Chief within ten (10) calendar days of receipt of the Step 4 written decision. At the same time, the Officer shall forward a demand for arbitration to the American Arbitration Association, or Federal Mediation and Conciliatory Service, requesting a list of five (5) arbitrators or mediators.

Upon receipt of the list of arbitrators or mediators, the parties shall have five (5) calendar days in which to research the names therein. Upon expiration of the research period, the Police Chief (or designee) and the Officer shall meet within two (2) days to select an arbitrator. If the parties cannot agree on the selection of an arbitrator, each party will alternatively strike one name from the list until only one arbitrator remains. The party winning the toss of a coin shall have the option of striking the first name or having the other party do so.

Notification of selection and all proceedings shall conform to the rules and regulations outlined by the American Arbitration Association or Federal Mediation and Conciliatory Service.
Such proceedings shall take place at the earliest date possible. The expenses for all services and proceedings shall be shared equally by the Employer and the Metropolitan Alliance of Police.

The arbitrator or mediator shall act in a judicial, not legislative, capacity and shall have no right to recommend to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He shall only consider and make a decision with respect to the specific issue submitted, and shall have no authority to make a decision on any other issue not submitted to him. The arbitrator or mediator shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law or any Village ordinance. The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to a written extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding.

Section 12.4. Time Limits for Filing.

No grievance shall be entertained or processed unless it is submitted within fifteen (15) calendar days after the Officer concerned has become aware or should have become aware, through the use of reasonable diligence of the occurrence of the event giving rise to the alleged grievance.

If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Officer may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual agreement of the Employer and the Officer involved in each step.

Section 12.5. Forms.

The Village may furnish grievance forms which can be used by both parties.

In addition, the following increases shall be effective at the following dates:

Effective May 1, 2015 - Me-too with MAP Chapter #3 wage increase (patrolman), plus Rapid deployment Stipend of 1.75%, plus 1% adjustment (pay to be based off of Top Patrolman)

Effective May 1, 2016 - Me-too with MAP Chapter #3 wage increase (patrolman), plus Rapid deployment Stipend of 1.75%, plus 1% adjustment (pay to be based off of Senior Patrolman)

Effective May 1, 2017 - Me-too with MAP Chapter #3 wage increase (patrolman), plus Rapid deployment Stipend of 1.75%, plus 1% adjustment (pay to be based off of Master Patrolman)

The above pay schedule represents the step compensation for Sergeants and Lieutenants as a percentage above the then top patrol officers pay, which the Parties acknowledge will be adjusted from time to time per collective bargaining. Said wages will be adjusted retroactively upon the Patrol Officers wages being finally agreed to or arbitrated.

MAP Bolingbrook Command Chapter #4 stipulates that the pay differential between the top paid patrol officer and the sergeants and lieutenants and the 2.5% increases for May 1, 2012, 2013 and 2014 includes 10 hours per pay period of overtime compensation at the statutory rate, as well as any specialty assignment pay, uniform allowance, education or incentive pay.

The officers shall be entitled to receive the full amount of compensation as set forth in this compensation schedule, including wages associated with the imputed overtime hours, whether or not the officers actually work all of the overtime hours. However, the officers shall not be paid any additional compensation for any overtime whatsoever.

The parties acknowledge and agree that solely for purposes of the Fair Labor Standards Act and the Illinois Minimum Wage Act, based on their duties and responsibilities, the Sergeants and Lieutenants are exempt employees for the term of this contract. The parties further agree that this provision shall not serve as a precedent for any future contracts and shall not be used in any future litigation of other contracts or future arbitration of other contracts.

Based on current statutes, the officers' compensation as shown in this Appendix A is intended to
be the basis of their pension computation.
